

January 24, 2014

To: Colorado Football Officials Association Membership

From: CFOA Executive Committee

Subject: Colorado High School Football Official's Uniform Change

On December 6, 2013, the CFOA Area Directors voted to transition to a wide stripe uniform over the next three years.

The new Colorado shirt is distinct in that it has **2-1/4 inch stripes and a black panel under the arm.** This shirt is also used in other states.

**THIS IS NOT THE 2 INCH STRIPE UNIFORM WORN BY COLLEGE OFFICIALS.**

We are coordinating with suppliers regarding details for ordering. They have indicated that ordering options will be available by mid February. If ordering online it is recommended that you wait until then to avoid purchasing the wrong product.

Note: The American flag over the breast pocket is required. It is recommended that the flag be part of the shirt (sublimated).

The transition schedule for use of the new shirt as approved by the Area Directors is as follows: All crew members must wear the same shirt.

#### Varsity Games

2014 Season – Regular Season - Optional Use of New Shirt (Long or Short Sleeve)

Post Season - Required Use for Semifinals and Championship Crews

2015 Season – Regular Season - Required Short Sleeve Use (Long Sleeve Use Optional)

Post Season - All Playoffs Require Use of the New Shirt

2016 Season – Regular and Post Season – Wide Stripe Shirt Required for All games

#### Subvarsity Games

Coordination of uniform for subvarsity games is a must! The narrow stripe shirt shall be the default uniform for 2014 unless all crew members have the new shirt. In 2015 & 2016 follow varsity schedule above.
